High and noble Heavenly Parent,

Beloved True Parents of Heaven, Earth, and Humankind

In this month of October which is a month of blessing, a month of liberty, and a sacred month of hope for the Unification movement; we, with all your children who placed their utmost effort, offer our gratitude for allowing us this precious moment to lay in front of Heaven the Chinhwa Park of this Chung Pyung holy land.

To build this holy land, True Parents prepared this sacred place for 40 years with blood, sweat, and tears solely for the future descendants.

My loving True Father, Thank you.

Please bless this beautiful park to be a place where the heart of every member and every person who comes through here can become one with Heavenly Parent and True Parents and offer gratitude and praise to the Holy Spirit in front of God.

Please remember all those gathered here today and raise them as true filial and loyal sons and daughters

of Heaven who can be outstanding future leaders.

Beloved Father, we long for you endlessly in this beautiful season. Please guide us as filial and loyal sons and daughters who can fulfill the responsibility of offering this nation and the world to you as proud children by completing our portion of responsibility.

Please look after all the rest of the ceremony and embrace the entire people in your love. We offer this park in gratitude to Heaven and I pray all this in the name of True Parents, Aju.
