

The Breaking News

No power... Contradiction

“The breaking news is an invitation to live your life filled with gratitude and happiness, in celebration and appreciation of others.

It is not about being the kind of religious person who judges, but instead the kind of religious person who has an incredible capacity to love.

It is about raising up beautiful children and inspiring other young people to become a generation worthy of the name "Generation Peace."

This is possible because the world finally has the example of True Parents, who can live and teach this kind of love. It is to this that Rev. and Mrs. Moon have dedicated their entire lives."

community

The word 'community' is spelled out using ten individual pieces of paper, each with a letter. The papers are pinned to a corkboard with colorful pushpins. The letters are: 'c' (white paper, red pin), 'o' (black paper, white pin), 'm' (yellow paper, blue pin), 'M' (white paper, blue pin), 'u' (white paper, red pin), 'n' (yellow paper, red pin), 'i' (white paper, green pin), 'T' (white paper, yellow pin), and 'y' (white paper, yellow pin). The letter 'c' is lowercase, while the others are uppercase.
